# Highlights

### Innovative metal kneading hook

Together with the strong motor, this metal kneading hook quickly forms a dough ball from your ingredients. Once the dough is formed, the innovative kneading hook works the dough with the right force and power to enable you to make the tastiest bread.

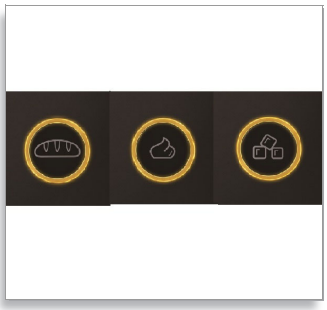
### Double metal balloon beater

The double metal balloon beater together with the one touch auto button creates fluffy egg whites (up to 600% volume increase) and perfectly whipped cream (up to 200% volume increase). Creating delicious desserts has never been easier!

### Chrome plated dial

For best performance, adjust the chrome plated dial to the corresponding speed marked on the accessory. The Pulse mode provides further control for quick blending or chopping.

### One touch auto buttons



In addition to the manual 12 speed + pulse control, this Avance Food Processor comes with 3 one touch auto buttons. To select them, simply turn the control dial to the "ON" position and press the one touch auto button. The motor then automatically sets the right speed and auto pulse functions for the best results.

### 3.4 L bowl and 1.5 L blender

The XL bowl allows for maximum volumes to be processed in one go, for example up to 7 portions of soup, 7 egg whites, 1.7 kgs of dough. In addition, the 1.5 L blender easily creates up to 5 smoothie portions in one go.

### XL+ feeding tube

This XL+ feeding tube takes whole items of fruits and vegetables so you don't need to pre-cut them any more.

### Adjustable slicing disc

With the adjustable slicing blade, you can make slices as thin as 1 mm and as thick as 7 mm.

### Citrus press for fresh juice

Reliable, simple and beautifully designed, the new Philips Jamie Oliver Food Processor boasts a number of useful accessories useful in creating fresh and healthy breakfasts, lunches and dinners. This accessory is ideal for extracting fresh juice from all types of citrus fruit such as oranges and grapefruit.
